

home is where the heart is

smelled like a good idea at the time

santa claus hat, red AA underwear, and solo CUP switch places

write from the perspective of abraham for I.F. pieces

whinnie's got ducks

statuette of a king

i never thought that i could fly, over the moon in ecstasy
i've got a golden ticket!

we are the music makers, and the dreamers of dreams

Star ... craft

NASA NASA DOOM

you THE LIVING?

interaction is not as romantic as drawing!
interaction is not as romantic as drawing!
interaction is not as romantic as drawing?
interaction is not as romantic as drawing!?

PAINTING IS INCLUSIVE

INCLUDE THINGS,
START MAKING LISTS

dpnotes

pinknoise
whitenoise

overalltexture derives from canvas
pitch derived from color
texture of tool derived from coordinates - also time should be present, i should record time it takes for tool to be drawn and that is loop length - tool size also affects length

Boxing Arm Game
One Controller for Many Actions`

patty-cakes / finger plays

only the use of already written words allowed
some words can be procedurally generated based on words you enter.
it would be good if it was a conversation

syntax is like

"Hey what are you doing?"
<hey>
<what>
<doing>

ending can be with a single word, broken down by a letter

3 parallel worlds (3 windows, all commands work) - single entry point
3 separate possible outcomes.
